

BHAG: Learners will create an ePortfolio to share their work, reflect on their growth and develop their voice in a blended learning environment.

| Learning Outcomes | Learning Activities | Assessment |
|--|---|-------------------------------------|
| <p>Foundational</p> <p>Learners will examine and explore the fundamental principles of effective blended learning.</p> | <p>Investigate the fundamentals of ePortfolios through blended learning and begin to develop your own ePortfolio.</p> | <p>ePortfolio</p> <p>Discussion</p> |
| <p>Application</p> <p>Learners will be able to analyze and communicate why ePortfolios and Blended Learning should be used and how choice contributes to reflective practice.</p> | <p>Continue building the ePortfolio.</p> <p>Growth Mindset reflection</p> <p>Seesaw post.</p> | <p>ePortfolio</p> <p>Discussion</p> |
| <p>Integration</p> <p>Learners will be able to articulate and justify who owns the ePortfolio and their learning and how ownership of both of those factors contribute to effective learning.</p> | <p>Reflection Seesaw post.</p> <p>Compare and contrast ePortfolios and take home folders.</p> | <p>ePortfolio</p> <p>Discussion</p> |
| <p>Human Dimension/Caring</p> <p>Learners explore and incorporate the social and collaborative role of learning in their own community.</p> | <p>Reflection Seesaw post over community collaboration.</p> <p>Create a picture describing how this can be used beyond the classroom.</p> | <p>ePortfolio</p> <p>Discussion</p> |
